AMENDMENT

Reconsideration of the application is respectfully requested in view of the following amendments and remarks. Applicants thank Examiner Peyton for her diligence in examining this application.

Before further examination, please amend the subject application as follows:

In the Claims:

Please cancel claim 8 without prejudice.

Please amend claims 6, 16, and 21 as follows:

6. (Twice amended) A method of operating a screen [used to display both television signals and auxiliary data] to transition between display of a television signal and display of auxiliary data from an auxiliary data network that delivers data apart from the television signal, comprising:

displaying a television signal; [and]

in response to link data conveyed with the television signal, displaying with the displayed television signal an icon, said icon indicating the availability of associated auxiliary data from the auxiliary data network; and
